## **BEK TV Shifts into High Gear Again with Dirt Racing 5 Nights at Dacotah Speedway**

Bismarck, ND – BEK TV is hitting the gas with five new, exciting nights of Dacotah Speedway racing this Spring. As part of its growing local sports coverage, BEK TV will broadcast five Dacotah Speedway races live from Mandan, ND at 7:00 p.m. CT on the following dates: April 24 – April 25 - May 1 - May 8 - May 15.

Races can be seen live on TV screens across North Dakota on BEK TV. To find your local channel, visit the [BEK TV Channel Guide](#). Fans everywhere also can watch live or on-demand on the [BEK TV+](#) app.

The early May race dates are especially important. Spring weather can be unpredictable, but thanks to this partnership, fans can still experience the excitement of Dacotah Speedway, staying connected on chilly early-season races and fired up to join the roar of the crowd when things heat up.

Whether you're a lifelong racing fan or a newcomer looking for thrilling local action, these five nights of dirt-track excitement are not to be missed. Tune in to BEK TV and cheer on your favorite drivers as they battle it out for bragging rights on one of the region's most iconic tracks.

[BEK TV](#) is one of the only locally-owned, non-corporate television broadcasting networks remaining in the country and produces more local content than any other television station in the Midwest. It broadcasts in North Dakota on over-the-air television and across the world via streaming on BEK TV+.

The concept behind BEK TV's programming is to provide a media service platform that is unscripted and uncensored. The majority of BEK TV hosts are untrained broadcasters who share their perspectives and views on topics and issues that people are talking about. The BEK network never controls the messaging.

BEK TV is the 2021, 2022, 2023, 2024, and 2025 winner of the Bismarck Tribune's Best of the Best contest, selected by the people for "Best Local TV Station". BEK TV host Lori Hinz is the winner of the 2024 "Best TV Personality" award. Both were chosen by the people.
