Time: 1:00 - 4:00 p.m.

Where: BEK Headquarters - Steele, ND

What: Delicious treats and beverages
(and a great opportunity to meet and greet)

Register to win door prizes

Here to Serve You

Some new people have joined the BEK team in the past few months; allow us to introduce them...

Keith Johs

Keith is an Outbound Sales Executive for BEK Communications, responsible for the sales of our cloud services - BEK Spyder Talk and BEK Spyder WebWatch. If you are not familiar with these products, we'll let Keith explain:

"The technology involved in both products is fascinating! With BEK Spyder Talk (web powered business phones), we can offer customers options they could never reasonably justify purchasing for themselves through a carrier or a traditional PBX system. And BEK's Spyder WebWatch (surveillance) has so many potential applications; the demand for this service will continue to grow."

Keith's market place is Fargo, N.D. He is excited to bring these offerings to this new BEK market, where he was born, raised and educated. Although his home is Fargo, he is also familiar with the BEK service area from his Napoleon/Linton relatives and he knows of BEK's reputation of being an industry leader in communications.

Keith most recently worked as an independent telecom agent and sold (primarily) Qwest/Century Link services. He has a background in business sales with Government, Health Care and Call Center customers. Keith represents BEK as a member of two business professional groups in Fargo - The Fargo-Moorhead Chamber of Commerce and a BNI group where he can get BEK's name out into the community while networking and sharing with fun energetic people from the area.

Keith and his family live in West Fargo. He and his wife Bethany have two children, Derek and Olivia. Keith loves music and plays in a band on the weekends. If that's not enough, he, Bethany and Derek teach a Tae Kwon Do class twice a week for fun and fitness.

Gregory Kahl

Greg came to BEK with 20 years of experience as a Cyber Transport Technician with the United States Air Force. While in the Air Force, Greg was trained in Electronic Systems Technology. He joined the BEK Central Office team in August as a Network Technician. He monitors all communications network

elements and alarm equipment and he is responsible for isolating network faults and producing network performance reports.

BEK has a wide variety of technology including a sophisticated triple play (video, Internet, voice) IP network that Greg finds interesting and fun. He enjoys the challenging work environment and he feels that will keep him motivated to perform his duties of network operations, installation and maintenance.

Greg is originally from Parma, Ohio and his wife, Autumn Kahl is originally from Bismarck. He is the proud father of his seventeen year old son, Alexander.

Travel and photography are his pastimes.

Eric Sauter

Eric joined the BEK Sales staff in September as a Member Services Representative. He is headquartered in Linton and we helped him "get his feet wet" by taking him along to our Linton town visit in September. Since Eric is originally from Linton, it was a great opportunity to introduce him to new people in the area and give him a chance to

reconnect with those he hadn't seen in awhile. Since we had a huge turnout, we were very grateful for his help with this event.

Eric's job duties include sales and customer service. If you want to know how a BEK service works, just ask him. If you are having a problem, he is available to assist customers with their trouble and he can also help with sales of BEK's complete product line of services.

Eric worked for American Express for 15 years and now he is excited to be working for BEK, a company close to home - a company that is progressive, yet familiar with a customer base that is familiar, yet progressively changing.

Eric and his wife Keriann have two daughters, Kloe and Peyton and they are members of the First Baptist Church.

Welcome Keith, Gregory and Eric!

2014 BEK Calendar

Photographers from across BEK territory submitted some absolutely gorgeous photos for the 2014 BEK calendar.

It's always fun to see what kind of pictures come in, and we are never disappointed. We had over 100 entries and the choices were amazing!

The photos selected for this beautiful calendar have been personalized with the photographer's name and each chosen photographer will receive a special thank you gift from BEK.

Look for the 2014 BEK calendar in your mailbox this December. Each BEK customer household will receive a copy of this stunning calendar as our gift. Congratulations to our local photographers. Their beautiful photo(s) will be enjoyed all year long by thousands of BEK customers.

New Year Changes

** Effective January 1, 2014 –

Shop NBC (CH #15) will be rebranded to ShopHQ.

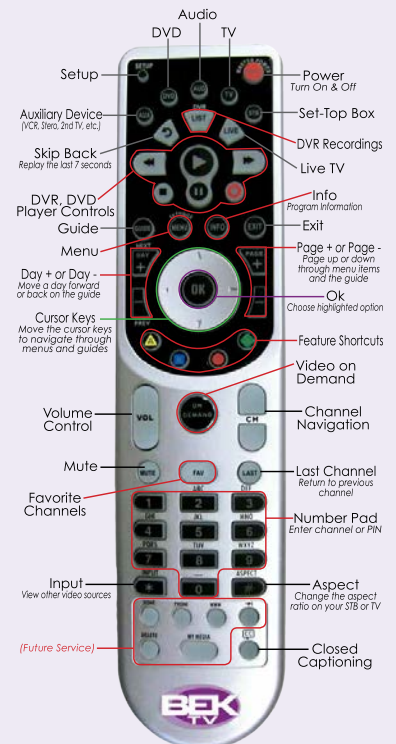

BEKTV Tips n' Tricks

Remote Buttons -

Ever wonder what all the buttons are for on your BEKTV remote? Which ones do what? For example, if you want to rent a movie using the Video on Demand feature, the button to push is the "On Demand" button on your BEKTV remote. Once you select it, you can view which movies are available and then make your selection. The best part is, you can enjoy your movie right away, which is why it is called Video on Demand.

Whenever you find yourself wondering, "What does that button do?" - visit www.bektel.com/remote to check out the BEKTV remote guide and find out just what all those buttons do.

BEKTV Remote:

Common Cents Grant Reminder

Common Cents Grant applications for Community Outreach and Economic Development will be reviewed in January of 2014.

The next application deadline is January 15, 2014.

To see if you qualify or to get an application, please call our office at 1-888-475-2361 or visit our website at www.bektel.com/grants.

Scholarship Opportunities for High School Seniors

***It's time to get your scholarship applications!** BEK Communications recognizes all the gifted youth in its service area and believes in sponsoring the future of our youth by offering up to \$4500 in Scholarships in 2014.*

High School seniors interested in applying for BEK scholarships will be given the opportunity to choose from three types of applications:

Academic Scholarship

- Up to three \$500 Academic Scholarships will be awarded to students enrolled in an accredited college or university working towards a bachelor's degree. Applications will be judged on grades, appearance of application, school activities, volunteer work, work experience, home activities and creativity.

Vocational / Technical Scholarship

- Up to three \$500 Vocational / Technical Scholarships will be awarded to students enrolled in an accredited vocational, technical or trade college working towards a program certificate, diploma or associate degree. The applications will be judged on grades, appearance of application, school activities, volunteer work, work experience, home activities and creativity.

Broadcasting Scholarship

- Up to three \$500 Broadcasting Scholarships will be awarded to students who have completed training in BEK's broadcasting program and participated in at least one live event. Students being considered must be enrolled in an accredited college or university, vocational, technical or trade college working towards a program certificate, diploma or associate degree. The applications will be judged on grades, appearance of application, school activities, volunteer work, work experience, home activities, creativity and BEK Broadcasting participation.

It's easy to obtain a BEK scholarship application:

1. Contact your local high school counselor. Applications were mailed to the schools in November.
2. Download your application online from BEK's website at www.bektel.com/scholarships.
3. Call or stop in the BEK office to request a scholarship application. Our toll free number is 1-888-475-2361.

BEK Scholarship applications must be postmarked by March 12, 2014.

Additional Scholarships available from the Foundation of Rural Services (FRS) and BEK Communications.

The FRS was established in 1994, in cooperation with the NTCA, which is the Rural Broadband Association. In keeping with its mission to sustain and enhance the quality of life throughout Rural America by advancing an understanding of rural telecommunications issues, the FRS is offering scholarships to further the education of rural youth.

About the FRS Scholarships:

There are 30 national FRS scholarships available. Should a student from the BEK Communications service area be selected, BEK will contribute an additional \$500 to the scholarship, for a total one-time scholarship award of \$2,500. It should be noted that preference will be given to individuals expressing an interest in returning to a rural area to work following graduation.

Students may also be eligible for four FRS Staurulakis Family Scholarships valued at \$5,000 each or two TMS Scholarships for \$1,500 each. Students who are majoring in math, science, engineering, or medicine are given preference for the FRS Staurulakis Family Scholarships.

Applications are available from your guidance counselor or can be downloaded from the FRS web site at <http://www.frs.org>. Completed applications should be sent directly to FRS, postmarked **no later than March 3, 2014**. Applications postmarked after March 3rd will not be accepted.

Here are the Winners!

To those who dared to participate in the \$500 Punt, Pass and Kick contest at local football games this fall and to those who stopped in or sent their registrations for some great Coop Month and Fall Treats gift baskets - Congratulations!

BEK Directory Advertising Sales

Look for a new sales team to explain the benefits of using traditional phone book advertising and an online product that will give you the best of both worlds for yellow page advertising.

Soon advertising sales representatives for the BEK/West River directory will begin selling advertising for the 2014 issue. Northern Directory Publishing (NDP) will be the publisher of BEK's next directory. NDP has provided publishing services to independent telephone companies for nearly 30 years throughout the Northwest.

NDP's advertising sales professionals will begin working in our area beginning in January and they will show you how to get the most for your advertising investment by advertising in the yellow pages of the BEK/West River Missouri Slope Telephone Directory.

Consider this: If your company isn't listed in the yellow pages, will your competitor get your business?
