*BEK TV is the largest television broadcaster of high school and collegiate athletics in the region, broadcasting nearly 250 live events each year. The network also is the state's top producer of original news and opinion programming. BEK TV is the 2021, 2022, 2023, 2024, and 2025 winner of the Bismarck Tribune's Best of the Best contest, selected by the public for "Best Television Station".*

*The concept behind BEK's news programming is to provide a media service platform that is unscripted and uncensored. BEK TV hosts are untrained broadcasters who share their perspectives and views on topics and issues that North Dakotans are talking about. The BEK network never controls the messaging.
