

National Do-Not-Call Registry

BEK Communications is pleased to provide this annual update to our members and customers, as an important service and as required by the Federal Communications Commission.

The National **Do-Not-Call Registry** gives you a choice and a voice. You can choose whether or not you wish to receive telemarketing calls via your home and/or mobile phone(s).

Once you register, commercial telemarketers are not permitted to call any residential or mobile number you list on the registry. The only exception is a business with whom you have an existing relationship as well as certain non-profit and political organizations.

To register any residential telephone number, including wireless, on the National Do-Not-Call Registry, at **no cost to you**:

- Calling from the number you wish to register, dial 1.888.382.1222
- For TTY, and calling from the number you wish to register, dial 1.866.290.4236
- Or, register online at www.donotcall.gov

Inclusion of your telephone number on the National Do-Not-Call Registry is effective thirty-one (31) days following registration.

- If you receive an unwanted call after your number has been on the registry for 31 days or more, you may report this to the Federal Trade Commission using their online form at www.donotcall.gov/report.html#step1.

You may remove your number from the list at any time.

Revised January 2020
